REHEARING, OCTOBER 19, 1977

APPEARANCES

*Determination of principal  
beginning unit*

Representing the City of Nashua, New Hampshire:

H. Philip Howorth, Esquire, Counsel; Dr. Berard Masse, Superintendent of Schools; and Richard A. McCann, Business Administrator, Nashua School District #42.

Representing the Nashua ~~Association of School Principals~~

Gregory D. Prymak, Esquire, Counsel; William G. Volante, President, NASP, Kevin J. Dwyer, Esquire, Devine, Millimet, Stahl & Branch; Roger Simpson, NASP; William Marcoux, NASP.

FINDINGS

The Public Employer, through its Counsel, H. Philip Howorth, Esq., on October 9, 1977 requested a ~~rehearing~~ in the case of the ~~Principal~~ determined by PELRB decision dated September 26, 1977. Reasons for the rehearing request strongly emphasized the City of Nashua's contention that principals did possess a confidential relationship with the City.

The Public Employee, through its Counsel, Gregory D. Prymak, Esq., filed objection to the City's request on October 13, 1977.

Board granted a rehearing which was held on October 19, 1977 at the James Hayes Safety Building, Hazen Drive, Concord, New Hampshire.

The Public Employer in support of their position presented further rationale for the Board of Education Position regarding management personnel in the Nashua School District.

After reviewing all testimony and written evidence presented at the original hearings, June 23 and July 11, 1977 and the rehearing held October 19, 1977, the Public Employee Labor Relations Board ~~has the following decision~~ to its original order dated September 26, 1977:

BOARD DECISION

~~\_\_\_\_\_~~ in the Nashua School District and will exclude the following positions:

~~\_\_\_\_\_~~ Principal and Assistant Principal of ~~\_\_\_\_\_~~
